

EL ROLLO FLAT TRACK

You want to register to the Saturday June 15th 2019 EL ROLLO FLAT TRACK, carefully read these informations. The full rules of the race will be communicated to you at the time of registration.

1/4 mile Short track which is more or less equivalent to a 400 meter oval shape dirt track.

We will select about 120 riders, and we do reserve the right to access.

If you want to participate, we must necessarily take the licences (RFME/FIM) for the day and insure you (the rates will be communicated at the same time as the registrations). To do so, we need your information appearing on your passport about you and your motorcycle.

These informations will be requested subsequently by the Flygroup organizer ww@flygroupnet.com

- Name
- First name
- Date of Birth
- Place of Birth
- Address
- Passport Number
- Motorcycle Identification
- Brand
- Cylinder
- Year

You are then welcome to make your own way to the Lasarte Oria racetrack near San-Sebastian in Spain, and present you to the Paddock to meet with the organizers (Flygroup ask for MATTIN or PATXI) for the briefing and technical control which will occur from 9hAM to 10hAM precise time, before the public arrival. See the link below for the site map :

<https://goo.gl/maps/hu26JcnqNfH2>

Once arrived at the racetrack, you will need to unload your motorcycle and your equipment, put it in the paddock and park your vehicle in the dedicated area.

IMPORTANT

Specific equipment must be worn and must correspond to following specifications :

- Approved jet or full-face helmet (Dot, Snell, etc)
- Pants/jacket/leather suit/cordura
- Boots (no flip flops or Vans or below the ankle shoes) - Specific gloves (rigid back protections are welcome)

The motorcycle must be completed with an accessible kill key and a fuel closing valve. All fuels are allowed, specific fuels must be declared.

Thanks
